

Track Light

Marker-1

Features:

- * Marker-I LED Track Light has an integrated molded light housing with convective holes for better heat dissipation, whilst retaining its aesthetic slim size.
- * High Ra>90, PF 0.9, COB, high efficacy, high illuminance.
- * High luminance aluminum body.
- * Bridgelux LED Chip - 100lm/w.
- * Lifud Driver.

Product Code	Input Voltage	LED	Wattage	Luminous Flux (lm) ±5%	Color Temperature CCT	Dimension	Life Span	Working Temperature
BLT-28W	220-240VAC	COB	28W	3220lm	3000K-5000K	φ80*150mm	50,000 hrs	-20°C ~ 45°C
